

DANNY GANS MEMORIAL CHAMPIONS RUN FOR LIFE HOSTED BY DONNY OSMOND

The Nevada Childhood Cancer Foundation is proud to announce the **Danny Gans Memorial Champions Run for Life Hosted By Donny Osmond on Saturday, Oct. 9, 2010**. Our 5K run and Fun Run/Walk gets bigger and more exciting each year. The event will be held at the **Paseo Verde Park** (near I-215 & S. Valle Verde Dr. at 1851 Paseo Verde Pkwy – Henderson – NV 89012). In Danny's memory, the Nevada Childhood Cancer Foundation (NCCF), along with Donny Osmond and The City of Henderson, will raise money to benefit the children of our community that have been diagnosed with cancer and other life threatening and critical illnesses.

We hope that you/and your company will join this unique and collaborative effort to help critically ill children and families living here in Southern Nevada by buying a sponsorship package or entering as company team or individual in the 5K Run or Fun Run/Walk. This will be a spectacular event with food, family fun, live entertainment, and raffle prizes. We have included a number of packages and advertising opportunities.

After the day of competitions, the NCCF will host the Champions Run for Life. Our mighty little heroes, who are fighting their own battle for life, will get a chance to shine as they run, walk, or wheel themselves around a specifically designed course. This is a very special moment for them as we honor their courage and dedicate the day to them.

More information on the race and registration can be found at <http://www.active.com/>. Please contact Carolyn Battin, our race director at (702)480.1917 or the NCCF at (702)735.8434 to purchase a sponsorship.

September is National Childhood Cancer Awareness Month! To acknowledge this special time, we hope that you join the Nevada Childhood Cancer Foundation and The National Bone Marrow Registry at the 5th Annual Bone Marrow Drive to save the lives of children in our community. Joining the Bone Marrow Registry is simple - AND **FREE** with NCCF – You will be asked to complete a brief questionnaire and swab the inside of your mouth with a Q-tip. You can say no if you are matched with someone but the greatest reward is the possibility of saving a child's life right here at home.
